**Board of Selectmen**  
**May 19, 2003**

**Present: Mr. Fiore, Mr. DePalo, Mr. Lebeaux, Mr. Hammond, Mr. Card**

**Also; Mr. Morgado**

**Call to order at 6:40 PM in the Commons Area of the Shrewsbury High School.**

**On a motion by Mr. DePalo, second by Mr. Hammond, the Board voted to modify a recently issued one day all alcohol permit issued to Struck Café. Mr. Card abstained.**

**The Board reviewed several articles that were on the warrant. On Article 10, the Board voted to proceed with the acceptance of Bridle Path (Lebeaux/Hammond). On Article 23, the Board voted to recommend the boathouse with the understanding that everything possible will be done to bring down the costs of the project (Lebeaux/DePalo). The Board voted not to recommend Article 35 as presented but would reconsider if the Article is modified (Lebeaux/DePalo).**

**Mr. Manzi asked to speak with the Board on the matter of his son being hired as a police officer. Mr. Manzi advised the Board that the Civil Service Commission had determined that his son should be first on the list and that the Chief was avoiding him. The Board asked that he raise the issue on another occasion as the board was not prepared to talk about the matter and that the Town Meeting was about to start.**

**The Board recessed the meeting at 6:55 PM and adjourned for the night at approximately 11:00 PM upon the adjournment of the Town Meeting.**

**Respectfully submitted,**

**Daniel J. Morgado**
